Arrival

Something to declare

NO

YES

iDeclare

Immigration office

Baggage claim

Airport exit

If the inspector suspects a passenger at the gate,

iDeclare will guide the passenger to the inspection area
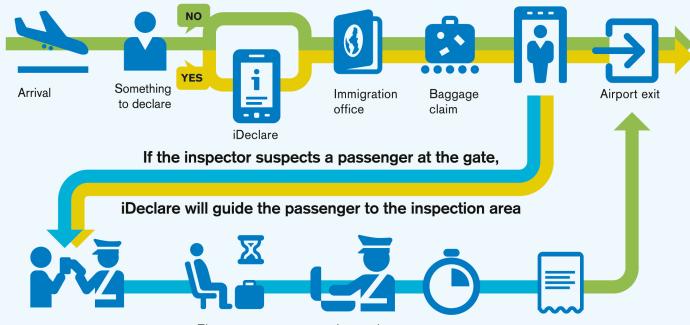

The Inspector will scan the bar code on the passenger's phone (for iDeclare users)

The average waiting time is 2-5 mins.

Inspection if required

Full inspection process: average time is 7-10 mins.

- A receipt is given to the passenger if any restricted goods are found
- A declaration is done if Customs duty needs to be collected
